JUDICIAL AND LEGISLATIVE DEPARTMENTS

Judicial

NOTIFICATION.

No. 218J.—20th January 1943.—In exercise of the powers conferred by section 241 of the Government of India Act, 1935, the Governor is pleased to make the following rules:—

I—General.

1. *Short title.*—These rules may be called the Bengal Civil Courts Clerical and Inferior Services (Recruitment, Discipline and Appeal) Rules, 1941.

2. *Application of the rules.*—These rules shall apply to—

(A) all clerical posts and

(B) to all inferior or menial posts in the civil courts of the Province of Bengal other than posts manned by—

(i) persons employed occasionally or subject to discharge at less than one month's notice; or

(ii) persons employed as contingency menials:

Provided that no order of dismissal, removal or reduction shall be passed on a person so excluded (other than an order based on facts which have led to his conviction in a criminal court) unless he has been informed in writing of the order which it is proposed to pass and of the grounds on which it is proposed to pass it, and has been afforded reasonable opportunity of making any representation that he may desire to make, and such representation, if any, has been taken into consideration before the order is passed.

This proviso shall not apply where the person concerned has absconded or where it is for other reasons impracticable to communicate with him. Any of its requirements may, for sufficient reasons to be recorded in writing, be waived where there is difficulty in observing the requirement and the requirement can be waived without injustice to the person concerned.

3. *Definitions.*—For the purpose of these rules—

(1) "appointing authority" means the authority having power to fill a post substantively;

(2) "recruitment" means the appointment to a service or post—

(a) of a person not already in Government service;

(b) of a person in Government service to a service or post which is not included in the cadre of his service or recognised by the Provincial Government to be a post normally filled by persons in his service or post.

4. *First appointments.*—All first appointments to the Bengal Civil Courts' clerical and inferior services shall be made by the authority mentioned in column 2 of the Schedule and in accordance with the provisions of the Bengal Services Recruitment (Communal Ratio) Rules, 1940.

5. *Returns regarding the recruitment.*—District Judges shall submit the necessary returns as prescribed under rule 14 of the Bengal Services Recruitment (Communal Ratio) Rules, 1940.

6. *Transfer of clerks and menials.*—(1) The High Court may transfer a clerk or a menial from any Civil Court to any other Civil Court.

(2) The District Judge may transfer a clerk or a menial from any such court within the local limits of his jurisdiction to any other such court within those limits.

7. *Relationship of applicants to any Government servant.*—Applicants for employment in the Civil Courts whether by examination or otherwise shall state in their applications whether they are related to any persons already in the permanent or temporary service of Government, and, if so, shall state the names of such persons and the nature of the employment held by each of them, and the nature of his relationship to them.

Any incorrect or incomplete statement will render the applicant liable to summary dismissal. Relationship to Government servants does not disqualify a candidate but there shall be no concealment of the truth.

II—Recruitment.

A—Clerical Establishment.

8. (i) The permanent clerical establishment under District Judges comprises the following classes:—

A—Upper Division,

L—Lower Division,

S and D—Sub-grade,

and the temporary establishment comprises the following classes:—

AT—Temporary posts of translators.

CI—Sub-grade posts.

E—Temporary posts for temporary courts, as laid down in the cadre rules for staff in Judicial offices.

(Notification No. 1938J., dated the 6th June 1940.)

(*ii*) A District Judge's choice in appointing clerks to the sub-grade or lower or upper division is not limited to his own district.

(*iii*) District Judges are not, however, authorised to appoint members of other services or outsiders to higher clerical posts, unless it has been found that no suitable clerk is available either in the Civil Courts of the district in which the vacancy has occurred or of the whole Province of Bengal.

Note.—For the purpose of this rule a post in class S or class D is higher than a post in class CI.

(*iv*) Any clerk who considers that he has been passed over, may appeal to the Secretary to the Government of Bengal, Judicial Department, whose decision shall be final. The latter is not bound to admit an appeal from any clerk who is not serving in the district in which the appointment has been made and who may believe that his merits and claims have not been duly considered. There shall be no appeal by disappointed candidates who are not clerks.

9. *Confirmation.*—There shall be a probationary period of two years for each clerk when he is first appointed in Government service and a probationary period of one year when a clerk is appointed to a post by promotion.

For the purpose of this rule continuous service in a post of class CI immediately preceding appointment in class D shall count towards the probationary period for service in class S or class D, but appointment in the latter classes from class CI shall not be considered as promotion.

If on completing two years of probation after first appointment or one such year after promotion a candidate is not definitely regarded as fit for confirmation he shall at once be liable to removal from service, or to return to the grade from which he was promoted, as the case may be, but the District Judge may in his discretion, extend the period of his probation for such time as he may think fit subject to a limit of not more than one year. A candidate appointed or promoted on probation is however liable, at any time, to be discharged for misconduct or for proved incompetency without the formal proceedings requisite in the case of officers who are already confirmed.

Note.—In the case of promoted persons discharge means reversion.

10. *Upper and lower division and sub-grade posts.*—(*1*) Appointments to posts in the upper division shall be made with regard to seniority and to special fitness for the post; no clerk who is not fully fit for promotion shall be selected, and no one who is fit shall be passed over unless he is so near the age of retirement that his appointment to the post will not be in the public interest. Outsiders shall not be appointed to such posts unless the conditions in rule 8(*iii*) are fulfilled.

(*2*) In making appointments to the lower division from the sub-grade seniority shall be the first criterion but no one shall be promoted who is not considered fit for more than routine duties.

(*3*) In making appointments to permanent sub-grade posts of class S and class D from holders of posts in class CI seniority alone shall be the criterion.

(*4*) When a post of class CI is abolished and an incumbent is discharged, his name shall be registered and the person registered shall be entitled to be appointed in order of seniority to any vacancies in class CI (or if no posts of class CI exist then in class S and D) occurring within two years of the date of his discharge.

(*5*) In the matter of appointment and promotion the district staff is to be treated as a whole and care must be taken that the staff at outlying stations shall receive equal consideration with that at headquarters. In ordinary circumstances clerks who have served in outlying stations, especially as sheristadars, should *ceteris paribus* have a preferential claim to the superior posts at headquarters. Although the establishments at headquarters and outlying stations are amalgamated District Judges are not at liberty to interchange the salaries attached to particular appointments in the upper division but they are authorised to distribute the lower division and sub-grade appointments among the different branches of their own and outlying offices in such manner as may from time to time be found to be convenient.

11. *Advertising lower division and sub-grade vacancies.*—(*1*) Notices of vacancies in the sub-grade class CI, or in class S, or class D when not filled under the provisions of sub-rule (*3*) or (*4*) of rule 10, shall be affixed on a prominent place at headquarters of the offices of the District Magistrate and of the District Judge and at outlying stations, and a date, not later than fifteen days after the issue of the notice, shall be fixed for filling up the vacancy.

(*2*) A similar procedure shall be followed in the case of vacancies in the lower division where no suitable candidate is available in the sub-grade in the Civil Courts of the district.

12. *Advertising upper division vacancies.*—(*a*) In the case of a permanent vacancy in the upper division in which the District Judge

contemplates introducing a clerk from another district he shall insert a notice in the *Calcutta Gazette* inviting within a date to be fixed by him applications for the post from clerks in the Province of Bengal.

(*b*) On the date fixed for filling up the vacancy the District Judge shall examine all the applications, including any received from clerks of his own district, and record a proceeding stating that he has done so. Before making the appointment he shall also note in detail the claims of all the eligible candidates and give his reasons for the selection ultimately made.

(*c*) If, however, on examining the claims of the applicants he finds that none of them is suitable, he may proceed to fill up the vacancy by appointing a member of another service or other suitable person. In such cases a notice shall be published in the *Calcutta Gazette* inviting applications for the post within a date to be fixed by him.

(*d*) The proceedings together with the applications and certificates filed and a copy of the notice in the *Calcutta Gazette* shall be made into a regular record bundle and be available in case of an appeal being made against the appointment.

(*e*) No person shall be eligible for appointment to the service who has endeavoured to enlist for his candidature the support of persons of influence or of officials of Government. Spontaneous recommendations of persons interested in or otherwise known to the candidate shall be disregarded.

Note.—All applications from candidates who are already in Government service shall be submitted through the officer under whom they are serving.

13. *Advertising Muslim and Scheduled Caste vacancies.*—When there is a vacancy in a permanent or temporary appointment which it is intended to fill by appointing an outsider and it is necessary to select a Muslim or a member of the Scheduled Castes in order to maintain the prescribed standard of such employment, and a qualified Muslim or a member of the Scheduled Castes is not otherwise forthcoming, the vacancy shall be advertised—

(*a*) by affixing a notice of the vacancy on a prominent place at headquarters at the office of the District Magistrate and of the District Judge and at outlying stations fifteen days before the date fixed for filling up the appointment,

(*b*) by enquiry from a recognised Muslim or Scheduled Castes Association,

(*c*) by publishing the advertisement in the local papers, and

(*d*) by sending a notice of the vacancy to the Assistant Director of Public Instruction for Muhammadan Education or other officer selected by the Provincial Government, if any, in case of the Scheduled Castes in the form given below:—

Name of office.	Appointment.	Nature of vacancy, *i.e.*, permanent or temporary.	Pay of the appointment.	Qualifications required.	To whom applications are to be made.	Remarks, *e.g.*, preference will be given to Muslim and Scheduled Caste candidates.

14. *Qualification for permanent appointment to the sub-grade.*—(*1*) A candidate for appointment in a vacancy in the sub-grade under rule 11 shall fulfil the following conditions:—

(*a*) He must have passed at least the Matriculation Examination.

(*b*) Subject to the other provisions of this rule, he must not be over 25 years of age; provided that in special circumstances and for reasons to be recorded in writing a person whose age does not fall within the limits prescribed above may be appointed with the specific sanction of the District Judge.

FINANCE DEPARTMENT.

NOTIFICATION.

Simla, the 14th January 1943.

No. D. 13-A.-S.D./42.—With reference to the Indian Civil Service Provident Fund Rules, made by the Secretary of State on the 3rd June 1942, the following instructions are issued by the Government of India for the guidance of subscribers to the Fund and Account Officers:—

1. *Subscriptions* (*Rule 3*).—(*1*) Where the subscriber draws emoluments (other than leave salary or reduced remuneration during suspension) from a Government Treasury in India, the amount of subscription will be such as may be deducted by him from the bill on which he draws the emoluments. The amount may be varied by the subscriber during the year within the limits prescribed in rule 3.

(2) In the case of a subscriber on leave the amount of subscription will be such as he may intimate to the Account Officer in India before proceeding on leave. If during leave the subscriber will be drawing minimum leave salary or leave salary under Fundamental Rule 88, he should intimate to the Account Officer in India whether he wishes to subscribe and if so the amount he will be subscribing. No alteration will be permissible in the amount so fixed for the period of leave. If the subscriber fails to intimate before proceeding on leave he will be deemed to have exercised his option in favour of subscribing during leave at the minimum rate of 4 per cent. of his leave salary and deductions will be made accordingly.

(3) The instructions in sub-paragraph (2) will apply *mutatis mutandis* to a subscriber under suspension during which reduced remuneration is drawn.

(4) In the case of a subscriber transferred to foreign service or sent on deputation out of India the amount of subscription will be such as he may intimate to the Account Officer in India before proceeding to join his new duties. The subscriber should also intimate to the Account Officer the amount of his emoluments while on foreign service or deputation out of India and any change therein in order to enable the Account Officer to verify whether the rate of subscription is within the limits prescribed in rule 3.

(5) Subscriptions to the Fund will be recovered:—

(i) in respect of emoluments drawn from a Government Treasury in India or a Colonial or Home Treasury, by deduction from the emoluments;

(ii) in respect of sterling overseas pay by deduction in India from pay; and

(iii) in respect of emoluments drawn from any other source, in cash, the subscriber remitting the amount direct to the Account Officer.

(6) All subscriptions made by a member together with interest on such subscriptions calculated under rule 4 should be credited to his account in the Fund.

2. *Nominations (Rule 5).*—Nominations under sub-rule (1), and notices of cancellation under sub-rule (4), should be in such one of the forms appended to these instructions as is appropriate in the circumstances.

3. *Recoveries on account of advances (Rule 7).*—Recoveries on account of advances will commence on the first occasion on which, after the advance is made, the subscriber draws pay for a full month, and will be effected in the manner provided in paragraph 1 above for realisation of subscriptions. Recoveries made by deduction from emoluments will be treated for the purpose of calculating interest under rule 4 as having been credited to the Fund on the first day of the month in which they are made.

4. *Payments towards policies of insurance (Rule 8).*—When a subscriber diverts or withdraws money from the Fund to pay the first premium on a policy of insurance (or, if the policy be a single premium policy, to pay that premium) under rule 8, he should furnish the Account Officer with a certificate in the following form:—

"In lieu of subscription/with the sum of Rs.. ....a month to/withdrawn from the Indian Civil Service Provident Fund, I propose to pay a premium/single premium of Rs............/£........ monthly/quarterly/half-yearly/annually, on a policy of insurance on my own life with............Company. This insurance is an endowment/a whole life insurance for Rs.........../£........... payable after ....years or death whichever is earlier/on my death".

5. *Recovery of the amount withdrawn under the proviso to rule 11.*—Where a subscriber has to repay to the Fund under the proviso to rule 11 the whole amount withdrawn by him, Government will determine whether the amount should be repaid in one or more instalments and in cash or securities or both.

6. *Final payments* (*Rule 12*).—(1) The Account Officer will be responsible for making final payments under rule 11 or 12. If payment is made under rule 12 any person claiming payment should send a written application to that Officer. In a case where there is doubt or dispute, but only with regard to a portion of the amount standing to the credit of a subscriber, the Account Officer should authorise prompt payment of that portion in regard to which there is no doubt or dispute. The persons to whom any amount is payable from the Fund should make their own arrangements to receive payment in India.

(2) If the person to whom any payment is to be made from the Fund is a lunatic, payment should be made to the authority entitled under the law to receive payment on his behalf.

(3) Sums not claimed for a period of six months after they have become payable will, at the end of the year, be transferred from the account head "Indian Civil Service Provident Fund" to the account head "Deposits", and treated under the ordinary rules relating to deposits. Such transfer does not, however, affect the fiduciary capacity in which the sums are held by Government.

7. *Statement of account* (*Rule 14*).—(1) The Account Officer will assign a number to the account of each subscriber, and when paying subscriptions in India, the subscriber should quote this number.

(2) Subscribers are required to satisfy themselves as to the correctness of the annual statements. Errors, if any, should be brought to the notice of the Account Officer within six months of receiving a statement. If no statement of account is received by the 1st of October, the subscriber should communicate with the Account Officer.

DEPARTMENT OF COMMUNICATIONS AND WORKS

Irrigation

NOTIFICATION.

No. 4-I.—5th January 1943.—The following draft rules and schedule of rates of tolls which, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864),* the Governor proposes to make regarding the Adajhuri river connecting the Baleswar river with the Kaliganga river in the Pirojpur subdivision of the district of Bakarganj, are published for the information of persons likely to be affected thereby.

Any objection or suggestion with respect to the draft rules and the schedule of rates of tolls should reach the undersigned not later than the 25th February 1943:—

Draft rules and schedule of rates of tolls.

1. In these rules "vessel" does not include boats not exceeding 11 cubits or 16½ feet in length.

2. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the union board of Nailtala, on this behalf.

3. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include *all vessels* of the types of *country boats*, including saltees and hapors (fish cages), *house boats*, kosh boats, green boats, etc.

Class II.—To include steam boats, motor boats, flats and barges and other square built vessels.

4. The maundage of every vessel, whether laden or empty, shall, for the purpose of the Canals Act, 1864 (Bengal Act V of 1864), and of these rules, be determined by the following measurements:—

Class I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of Class II the number of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats, the maundage determined as above shall be reduced by one-third as an allowance for engine spare.

For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per 100 maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls will be levied at Rambhadra and Charkhola.

14. For boats frequently using the channel such boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

15. Every vessel which has paid toll shall be allowed to remain in the channel for three days inclusive of the days of entry into and leaving the channel. A vessel remaining in any part of the channel longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the channel for more than one month: Provided that this rule shall not apply to vessels holding monthly tickets under rule 14, which may remain in the channel for more than three days without payment of demurrage but not for more than one month at a time.

16. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the channel referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the union board of Nailtala shall be liable for toll in the channel.

17. Any matter relating to the mode of collection of tolls and other relevant points not provided for in these rules, shall be decided by the union board of Nailtala at a meeting and shall be subject to the approval of the Provincial Government.

By order of the Governor,

S. BANERJEE,
Secy. to the Govt. of Bengal.

B. R. SEN,

Secy. to the Govt. of Bengal.

Agreement.

MEMORANDUM OF AGREEMENT made this 1st day of February one thousand nine hundred and forty-three between THE BIRLA JUTE MANUFACTURING CO., LTD., a Company registered under the Indian Companies Act, 1913, and having its registered office at 8, Royal Exchange Place in the town of Calcutta (hereinafter called "The Company") of the one part and THE GOVERNOR OF THE PROVINCE OF BENGAL (hereinafter called "the Governor") of the other part:

Whereas for the purpose of the extension of the staff and labourers' quarters and spinning department of the Company, the Company has applied to the Government of Bengal (hereinafter referred to as "the Government") for the acquisition under the provisions of the Land Acquisition Act, 1894, of the pieces or parcels of land containing in all an area of 138·28 acres or thereabouts situate in the villages of Mayapur, Chak Kasipur and Dakshin Raypur within police-station Budge-Budge in the district of 24-Parganas and more particularly described in the schedule hereto and delineated in the plan* hereunto annexed.

And whereas the Government being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public has consented to acquire on behalf of the Company the pieces or parcels of land hereinbefore described.

And whereas the Government has required the Company under the provisions of section 41 of the above-mentioned Act to enter into the agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the Government all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited, the Company

shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or in the discretion of the Government on deposit by the Company of all estimated amounts as provided in the second clause, but not before possession shall have been taken under the provisions of the above-mentioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land shall be held by the Company for the purpose of an extension of its staff and labourers' quarters and spinning department as is hereinbefore mentioned and, without the sanction in writing of the Government first had and obtained, for no other purpose whatsoever.

5. The said extension shall be completed and fully equipped in all respects ready for use within two years from the date on which possession of the said land shall have been given to the Company.

6. Should the said extension not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the Government or should the said land at any time thereafter cease, for a period of twelve consecutive months, to be held and used or ceased to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the land to the Company and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the Government may sell or otherwise deal with the said land and buildings as it may think proper.

(i) Should the Government sell the said land with the buildings the Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(ii) Should the Government decide not to sell the said land and buildings, the Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent., and less any amount received on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sums paid and received on account of costs, charges and expenses.

(iii) Should the Government decide to sell the buildings only, upon such sale, the Governor after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sum paid and received on account of costs, charges and expenses.

No premium or fee shall be charged for such training.

(h) The Company shall make a scheme and frame rules for the items (a) to (g) above and obtain the approval of the Government to such scheme and rules. The Company shall also obtain the approval of the Government to any modification of the said scheme and/or of the said rules.

Irrigation

NOTIFICATION.

No. 4-I.—5th January 1943.—The following draft rules and schedule of rates of tolls which, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make regarding the Adajhuri river connecting the Baleswar river with the Kaliganga river in the Pirojpur subdivision of the district of Bakarganj, are published for the information of persons likely to be affected thereby.

Any objection or suggestion with respect to the draft rules and the schedule of rates of tolls should reach the undersigned not later than the 25th February 1943:—

Draft rules and schedule of rates of tolls.

1. In these rules "vessel" does not include boats not exceeding 11 cubits or 16½ feet in length.

2. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case

of any reasonable doubt arising, a vessel may be measured again by any person appointed by the union board of Nailtala, on this behalf.

3. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include *all vessels* of the types of *country boats*, including saltees and hapors (fish cages), *house boats*, kosh boats, green boats, etc.

Class II.—To include steam boats, motor boats, flats and barges and other square built vessels.

4. The maundage of every vessel, whether laden or empty, shall, for the purpose of the Canals Act, 1864 (Bengal Act V of 1864), and of these rules, be determined by the following measurements:—

Class I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of Class II the number of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats, the maundage determined as above shall be reduced by one-third as an allowance for engine space.

For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per 100 maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls will be levied at Rambhadra and Charkhola.

14. For boats frequently using the channel such boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

15. Every vessel which has paid toll shall be allowed to remain in the channel for three days inclusive of the days of entry into and leaving the channel. A vessel remaining in any part of the channel longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the channel for more than one month: Provided that this rule shall not apply to vessels holding monthly tickets under rule 14, which may remain in the channel for more than three days without payment of demurrage but not for more than one month at a time.

16. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the

Irrigation Department on duty, officers and servants of the toll office for the channel referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the union board of Nailtala shall be liable for toll in the channel.

17. Any matter relating to the mode of collection of tolls and other relevant points not provided for in these rules, shall be decided by the union board of Nailtala at a meeting and shall be subject to the approval of the Provincial Government.
